Worst part about this is that so-called Republican @SenatorIsakson voted WITH socialist @SenSanders to block MORE healthcare choice for veterans. Sanders wants to trap vets in @DeptVetAffairs...and so do Swamp-creature "Republicans" like Isakson.

ISIS routed. Economy roaring. Tax cuts coming. Obamacare gutted. China confronted. Gorsuch confirmed. Energy unleashed. Jerusalem capitol. Extreme vetting. Media exposed. Courts packed. Regulations slashed. Cops/vets supported.

What else could conservatives ask for?

I strongly believe we shouldn't raise the purchase age for long-guns (AR-15, etc) from 18 to 21. But if we ever did raise it—then we'd better lower the purchase age for handguns from 21 to 18.

Don't 18/19/20-year-old American citizens —men & women—have a right to self-defense?

The truth behind @SecShulkin's firing at @DeptVetAffairs. Nobody—including me—wants to "privatize" VA. Real reformers, like @realDonaldTrump, simply believe vets should have a CHOICE between VA & private care. Shulkin fought that choice, so he got canned.

Today the U.S. Senate passed a very important VA bill. The MISSION Act gives vets much more CHOICE—which @realDonaldTrump promised.

Good news socialist @BernieSanders hates it & so do VA unions (@AFGENational). Big win for reform (vets!) & big loss for the status-quo Swamp.

To be guilty of anything, don't you have to be convicted of something? The CIA has a tough job walking the line between techniques that some consider harsh and the overwhelming need to protect our safety. If a few terrorists are coerced that's A-OK with me

- In 2014 Robert Griffin III (RG3) entered a post-game press conference wearing a shirt that said "Know Jesus Know Peace" but was forced to turn it inside out by an NFL uniform inspector before speaking at the podium.
- In 2015 DeAngelo Williams was fined for wearing "Find the Cure" eye black for breast cancer awareness.
- In 2015 William Gay was fined for wearing purple cleats to raise awareness for domestic violence. (not that the NFL has a domestic violence problem ...)
- In 2016 the NFL prevented the Dallas Cowboys from wearing a decal on their helmet in honor of five Dallas police officers killed in the line of duty.
- In 2016 the NFL threatened to fine players who wanted to wear cleats to commemorate the 15th anniversary of 9/11.

To be guilty of anything, don't you have to be convicted of something? The CIA has a tough job walking the line between techniques that some consider harsh and the overwhelming need to protect our safety. If a few terrorists are coerced that's A-OK with me

As the Wall debate continues...need to look at the connection between open borders, the 2020 census & redistricting. Illegals cannot vote—but they are (somehow!) counted for the # of House reps per state. No wonder the Left puts SANCTUARY STATES & open borders before US citizens.

Apparently #ExposeChristianSchools is trending in the US.

Let's start a real one:

MOST of today's PUBLIC (or government) schools are PC-obsessed, safe-space, leftist indoctrination fortresses that utterly FAIL our kids & our country.

Like, thanks for being honest @AOC. Every day, like, you actually say what the Left, like, truly thinks.

Like, we'll all be dead in 12 years and, like, "climate change" = World War 2

Would you, like, care to expand on who are the Allies and who are the Axis Powers of today?

Like, thanks for being honest @AOC. Every day, like, you actually say what the Left, like, truly thinks.

Like, we'll all be dead in 12 years and, like, "climate change" = World War 2

Would you, like, care to expand on who are the Allies and who are the Axis Powers of today?

Like, thanks for being honest @AOC. Every day, like, you actually say what the Left, like, truly thinks.

Like, we'll all be dead in 12 years and, like, "climate change" = World War 2

Would you, like, care to expand on who are the Allies and who are the Axis Powers of today?

In March of 2017, Mark Levin (@marklevinshow) appeared on FOX & Friends Weekend to make the case that Team Obama spied on Team Trump. It's worth a watch!

He was first. And he was right.

Mark joins us TOMORROW on @foxandfriends to talk Mueller & more.

Comrade @AOC knows nothing about the VA. Defends system failing vets every single day.

Just another hack politician echoing what the government unions want her to say.

The "woman of the people" should try VA healthcare. But she won't, because she's a fraud.

Who dis?

Comrade @AOC knows nothing about the VA. Defends system failing vets every single day.

Just another hack politician echoing what the government unions want her to say.

The “woman of the people” should try VA healthcare. But she won’t, because she’s a fraud.

This dirtbag is being released...and American warfighters and patriots like Army Lieutenant Clint Lorance, Green Beret Matt Golsteyn & Navy SEAL Eddie Gallagher are locked up.

We sent these men to war to kill the Taliban and ISIS!

We are so dumb.

WATCH!

Islamist attacks two innocent shoppers at the Mall of America in Minnesota. He proudly says it was a "call to jihad."

First you've heard of it? This happened a year ago. ZERO national attention.

Most politicians and the leftist media are lying to us—every single day.

This isn't even a political issue it's a morality issues and it's obvious you have none. Those who have been convicted of war crimes should NEVER be pardoned. And Eddie Gallagher hasn't even had a trial yet no point in even talking pardon in his case

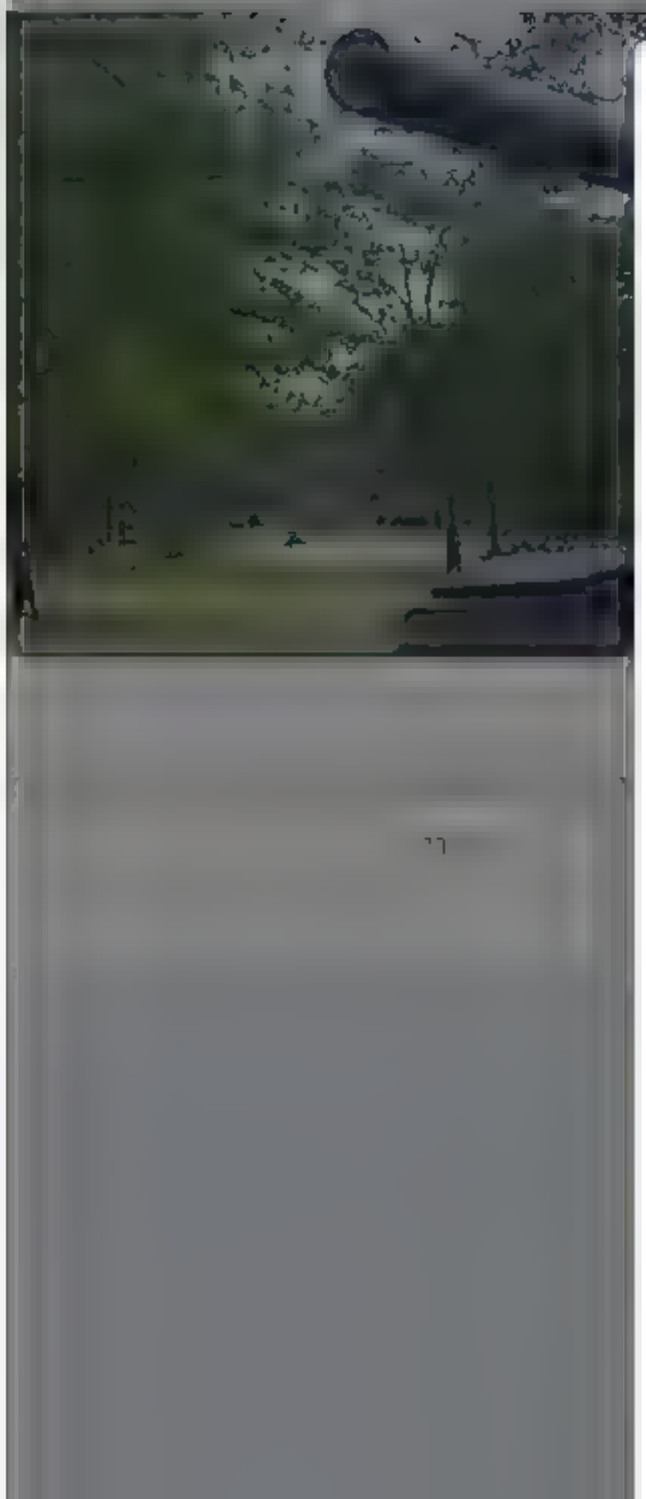
2 @mattlogical MMcConnell · 21 במא



This admin, the filth that is Fox, and Pete will never miss a chance to dehumanize dark skinned Muslims. That's what this pardon push is about. It's about sending a message that the lives of "other" have no value and are unworthy of consequence

THIS IS HUGE! Could not be more proud of my friend David Bellavia. Nobody deserves the Medal of Honor more than him. Long overdue. A patriot and a warrior. Will represent Iraq veterans with honor and courage—like he always has!

Just read the @AOC "Green New Deal." What a doozy.

Reads like a poorly-argued paper from a college sophomore after years of mindless left-wing indoctrination.

The Socialist-from-the-Bronx-who-is-actually-from-Westchester is a textbook combination of lunacy, idiocy & fantasy.

- Cite race/gender grievances (page 3)
- Compare to WW2 (page 4)
- Do tons of expensive & ineffective things (pages 5-12)

Nancy & Joe have lost their party.

2020 Election can now be summed up this way:

I love America vs. America is (YOU are!) racist

Good luck with that @TheDemocrats.

100%, Pete! Rashida Tlaib is a radical islamist who is engaged in JIHAD against the US as surely as if she had been trained to fly airplanes into the Twin Towers on 9/11. She is prepared for martyrdom. She will be replaced in 2020 and her name will be FORGOTTEN. #MAGA2020

What will @Twitter do when she wins the GOP primary? And then the general election? Will they BAN an endorsed Congressional candidate? Or even an elected Member of Congress?

Stay tuned, this will be one helluva race...

Nancy & Joe have lost their party.

2020 Election can now be summed up this way:

I love America vs. America is (YOU are!) racist

Good luck with that @TheDemocrats.

I'm so sorry you were shot and I hope you can find a way back to health and be able to work again even if it's something different than you were doing.

Like, thanks for being honest @AOC. Every day, like, you actually say what the Left, like, truly thinks.

Like, we'll all be dead in 12 years and, like, "climate change" = World War 2

Would you, like, care to expand on who are the Allies and who are the Axis Powers of today?

Hey Pete, It's important (IMHO) that someone takes a serious look into GEN Milley speaking with the Convening Authority about Matt Golsteyn's case and prosecutors withholding the names of court martial witnesses. Unlawful influence? Prosecutorial misconduct?

GEN Milley was the Army Chief of Staff and his discussing the Matt Golsteyn's case with the Convening Authority smacks of unlawful influence

Now's the time to start cutting China out of the loop. We're funding the military buildup of China for at least 20 years. That military will be used against the US somewhere down the road. Either in blackmail or actual conflict. Wakeup America. China is a serious threat.

Big-time fail by @TTuberville.

He's right about one thing: the VA bureaucracy has long been a dysfunctional mess that fails vets.

But he's dead wrong about @realDonaldTrump — the first POTUS to take on the VA swamp & put VETS FIRST (not the system).

A smart friend just made an important point:

- If Democrats get their way with Medicare-for-All, then...

- There is no more private health insurance...

- Which means Veterans Choice is gone...

- Which means all veterans would—once again—be trapped inside a failed VA system.

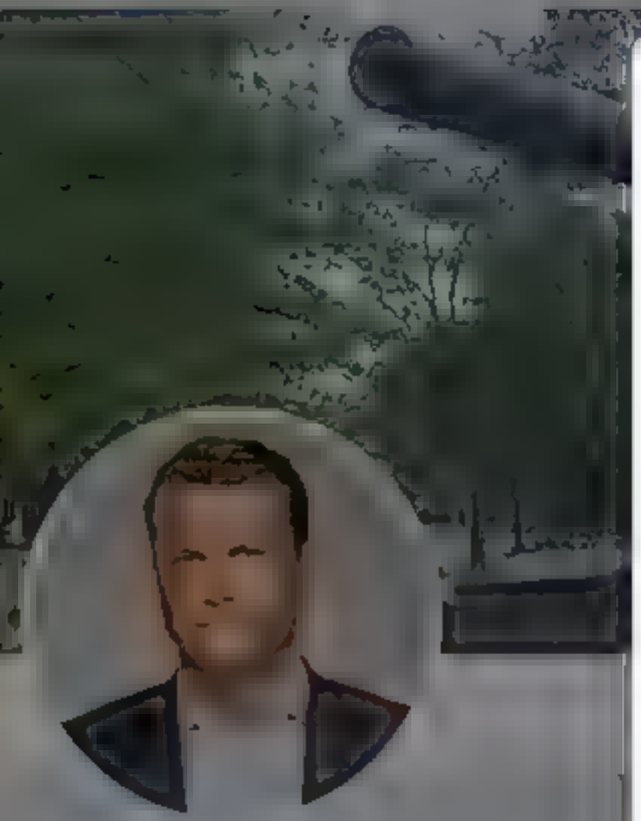
This remains UNACCEPTABLE.

Only way to fix this it to truly allow veterans to vote with their feet.



MISSION Act is/was big-time progress, but FULL CHOICE—with no VA bureaucrats in the middle—is what is ultimately needed.

Yet another *rogue* judge. This will be—and should be—appealed to the Supreme Court.

CITIZENSHIP is the core of our Republic—it's 101 stuff. Even the judge had to admit, there is nothing unconstitutional about merely ASKING the question.

As the Wall debate continues...need to look at the connection between open borders, the 2020 census & redistricting. Illegals cannot vote—but they are (somehow!) counted for the # of House reps per state. No wonder the Left puts SANCTUARY STATES & open borders before US citizens.

1/2What I don't understand is that we already have border patrol to keep out people trying to come into our country illegally, so this wall is just a tool to help them do their job more efficiently. I really don't understand what the problem is,, besides the funding issue

13 10 44

**Mariann Janus** @MariannJanus · Jan 7
Funding is really not the problem. They were for it before. They just don't want it because they don't want Trump to be able to accomplish another promise and not be successful for 2020

6 17 69

**DeeDee Riley** @DeeDeeRiley · Jan 7
There is border patrol now but they can't watch the whole border. What's to stop those from going to a different part of the border where the partol is

I'm saying this seriously. This Mueller investigation is such a joke that I barely pay attention to it. Rabbit trails of "misdeeds" that have nothing to do w/ Trump or "Russia" — and much of it based on traps set by FBI & Mueller. Loved Rudy's take "they're a joke." They are!

Plenty of daily distractions. But—until justice truly occurs—never forget that @BarackObama's White House SPIED on @realDonaldTrump, fellow Republicans & even @BernieSanders. From @AmbRice44 to @brhodes to @JohnBrennan — they spied, lied & leaked. Theirs it the real collusion.

The more I reflect on last night's speech, the more evident it is that @realDonaldTrump steamrolled @TheDemocrats. Chuck & Nancy looked cranky, small & obstinate. He was optimistic, strong & gracious. And—bottom line—Trump is pro-citizen, Dems are pro-illegal. #AmericaFirst

When twice-failed presidential candidate @HillaryClinton says "our democratic institutions & traditions are under siege" b/c of @realDonaldTrump — what she really means is that he is a threat to DC's permanent political class.

The Taliban are Islamist totalitarians. No better than ISIS, with the same core convictions. You cannot make peace with these people. Doesn't mean you nation-build or stay forever—just that a false peace (sureender!) is way worse than keeping a long-term boot on their throats.

Pete, the Taliban want to sleep at night, & we want to eradicate ISIS & al Qaeda. We need a reliable ally at the crossroads of southwest Asia. FDR dealt with Stalin to get rid of Hitler, and the enemy of my enemy is my friend. As distasteful as that sounds, it can mean Peace

What will @Twitter do when she wins the GOP primary? And then the general election? Will they BAN an endorsed Congressional candidate? Or even an elected Member of Congress?

Stay tuned, this will be one helluva race...

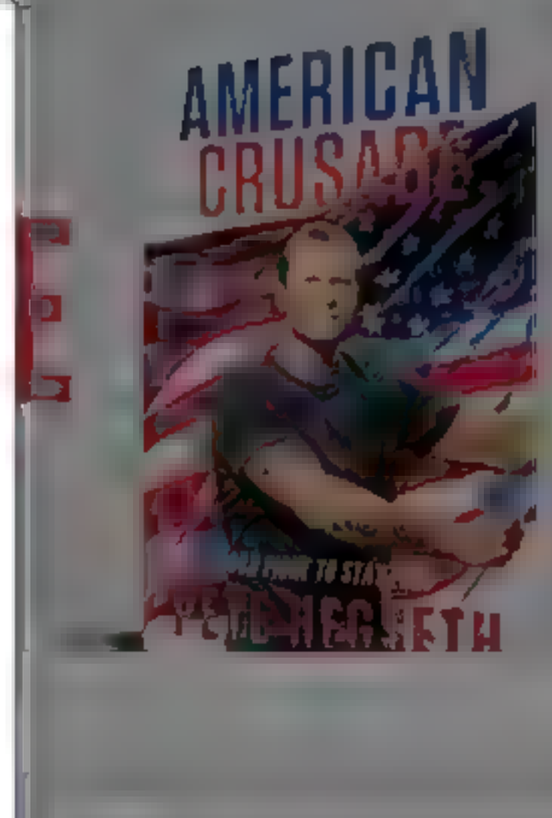
The lunacy of our moment requires clarity.

Trump won in 2016.

Democrats have done EVERYTHING they can to un-do it.

"Impeachment" is a complete sham.

The polls never reflect REAL voter sentiment.



@realDonaldTrump defends America, the Left wants to destroy it.

That's it.

The Second should be first. Without The Second, The First is just hot air

Do gotta hand it to modern communications for getting the word out. Just remember, as with all comm, you'll have to deal with noise. And more than ever, deal with data attacks, so back to The First.

This impeachment hearing is a joke. @HouseGOP doing a great job.

When Russia attacked Ukraine, Obama sent blankets & meals.

Trump sent guns, bullets & missiles.

While Obama rolled out the red carpet to Putin — Trump fought back.

Easier to soften the ground for terrorists than give a fair shake to Americans who had to fight her husband(s) for us.

# EXCLUSIVE: Statement from Navy SEAL Eddie Gallagher

First, I want to give all the glory in the fight to God. He has been watching over my family and I, keeping us strong and humble throughout this fight. "Count it all joy when you fall into various trials"

I want to thank my beautiful and amazing wife Andrea, our children, and my incredible and loyal little brother Sean. You have fought tooth and nail for me from the beginning and it is because of you we have won this 2-year battle. You are my heroes.

I was blessed with an amazing legal team who have become like family, Tim, Marc, Bernie we will be friends for life. Thank you for fighting by my side.

Thank you to Ralph Norman & Duncan Hunter two members of Congress that fought tirelessly for justice for our family. You both went against the narrative that was being portrayed and spoke out for me. All of your advocating did not go unnoticed and paid off.

To all of my brig crew, you will have no idea what it meant to me when you took the time out of your weekends to come and visit with me. You are one loyal crew and I love you.

It was humbling to see all the veterans and veterans' companies come to my aid and support me. Half face blades, Nineline apparel, forged, recon/sniper foundation, black rifle coffee company and Pete Hegseth...you are true patriots.

Lastly., President Donald Trump you have my deepest gratitude and thanks. You stepped in numerous times and showed true moral fiber by correcting all the wrongs that were being done to me. You are a true leader and exactly what the military and this nation needs. God bless you and your family

This is delusional. The Taliban will never, ultimately, help us defeat their fellow Islamists. Only clear thinking & strong action — not fake peace — can get us out of Afghanistan w/o creating another Islamic state.

# Hey @Twitter, I'm back...for now.

Two months ago I was blocked from Twitter for exposing the words of an Islamist terrorist. Twitter deleted my tweet, and demanded I admit that I did something wrong. I refused. I will never, ever apologize or bow to Leftist tech tyrants like Twitter.

A few nights go, while checking my app to see if I was still blocked, I casually clicked the "remove" button for the tweet – believing it would, at the least, be a two-step process  Instead, I was instantly back into my account. It was a sincere accident on my part.

**However, since I assume it won't be long before I'm banned again, I'll take this opportunity to do what Twitter hates: destroy Leftism, expose Islamism, and fight for Americanism.**

Dems are doomed in 2020, and they know it.

Either they nominate a Communist who hates rich people, or they nominate a billionaire who mocks everyday people.

Both will get crushed by a billionaire President who makes people rich AND loves the American people.

Bloomberg spent $500 million for the privilege of being called a racist & misogynist by @TheDemocrats, branded as "Mini Mike" by @realDonaldTrump, and exposed as a terrible debater by Pocahontas.

Mark Meadows was representing such a gerrymandered district in North Carolina that it cut the city of Asheville in half like some kind of King Solomon trick. After redistricting because of how unfair it was, Mark probably got cold feet and couldn't compete in a more fair fight

It takes a lot of guts to speak the truth right now and I hope some politicians step up. We DO NOT need more government-centric economic "stimulus" right now. We need citizen-centric initiatives that give people back more of THEIR INCOME. We are the economic engine, not the govt.

Just waited in line at the DMV for over an hour. Perfect government snapshot. Workers w/ little urgency. Endless inefficiencies & technicalities. Lots of (ever higher!) fees. Everything must be registered (why?). Maddening.

And liberals want MORE of this...

My statement on @DeptVetAffairs proposal to limit access to community care during the national health crisis. Calling on VA and @POTUS not to follow through. Let's lower barriers to care, not create them! @ConcernedVets
cv4a.org/press-release/ ...

***"The VA's proposal to restrict the VA MISSION Act's community care program for veterans during a national health crisis is troubling. Like other parts of the health care system during this current crisis, the VA should be working to remove barriers between veterans and their health care, not creating new barriers.***

***While many health care providers are under immense strain, others may still have the capacity to treat veterans for routine conditions that impact their long-term wellbeing. A blanket approach like the VA has proposed, does not account for the unique circumstances facing many communities and their respective medical systems.***

***We urge the VA not to proceed with any policy proposal that would limit the ability of veterans to access care in the community if they believe it is the best option for them and capacity is available. President Trump has been a consistent champion of expanding health care choice for veterans and we are hopeful he will not let this proposed policy change proceed."***

TRUMP = winning, jobs, wages, profits, borders/wall, cops (!!), vets, citizens, flag/anthem &...STRENGTH.

DEMS = socialism, open borders, illegals, kneeling, socialism (again), BLM/CAIR/ANTIFA/Planned Parenthood &...WEAKNESS (& APOLOGIES).

This is INSANITY. We pay 15% of the @WHO budget & China pays 0.2% — yet the WHO is in the tank for Communist China?

Typical @UN garbage. Not only should we defund the WHO, we should defund the entire anti-American UN.

> The U.S. provides about 15 percent of the WHO's annual budget, making it the highest contributor to the organization. By contrast, China provides 0.2 percent of the budget.

   Because #Massachusetts is governed by a #RINO who is abolishing our basic rights, now counting deaths instead of new cases. Prayers to all who are suffering. Hopefully we'll #OpenMassachusetts soon. I'd protest, but this state is filled with hate-filled, ideological Democrats!

Hey @jack, you banned me from @Twitter a few months ago. Now that I'm back, it's obvious my posts are actively suppressed & followers restricted. Tweets get 10-20x less likes & RTs. Followers basically static.

Not sure who is worse: you or the Communist Chinese.

This is a shitty way of putting it. Elon sounds like a horribly corrupt businessman who only cares about money. He very well may be. However, I'm simply baffled one like him could've put it in a better statement, such as "America should be reopened with all the proper protection"

The scariest thing about this pandemic is not the virus itself, it's seeing American so easily bow down & give up their blood bought freedom to corrupt politicians who promise them safety

The Honorable Donald Trump
President of the United States
1600 Pennsylvania Avenue, NW
Washington, DC 20500

Dear President Trump

Nicholas Slatten, Paul Slough, Evan Liberty and Dustin Heard, four decorated military veterans have been imprisoned for over ten years. A bipartisan group in Washington, D.C. is working hard to secure their release. Their cases highlight a failure to protect a State Department official in the field, attack charges out of the rules of engagement, rights of the Iraq War, following orders that resulted in the tragic death of a number of Iraqis, the pardoning of Special Forces Sgt. First Class Matthew Golsteyn and grants of immunity to Blackwater employees who killed Iraqi civilians. We write to respectfully request a Presidential Pardon in these five cases so our veterans can finally be free.

The Facts

On September 16, 2007, a convoy transporting State Department officials was passing through Nisour Square in Baghdad when a car bomb detonated nearby. Assuming

I've been going through the interview transcripts that ODNI forced @AdamSchiff to release. It's now clear why every Republican on his committee in 2019 called for his resignation. He knew the closed door witnesses didn't support his innuendo and fakery on Russia collusion.

In her case, like many others, there is a clear pattern of coordination. It's not that one platform bans you but they seemingly often times coordinate to ban everywhere at once. Parallel, decentralized internet infrastructure is coming though.

@PeteHegseth Americans need to use common sense, use safety measures and be allowed to choose. I won't put myself or others in jeopardy but I'll be dammed if I'm going to let government tell me what I can or cannot do. It's a way of controlling us.

I've been at @TheAtilisGym for hours now. There are good, hard-working, patriotic and RESPONSIBLE people. Top notch sanitation guidelines. They are great Americans. They just want to WORK, and work hard.

If @GovMurphy still tries to shut them down — it's only about POWER.

I've been at @TheAtilisGym for hours now. There are good, hard-working, patriotic and RESPONSIBLE people. Top notch sanitation guidelines. They are great Americans. They just want to WORK, and work hard.

If @GovMurphy still tries to shut them down — it's only about POWER.

The Governor promised that as long as cases continued to decline that we would be allowed May 20, 2020 as our reopening date Today we're given flimsy apologies as he pulls the proverbial rug out from under us all. We were told it was to flatten the curve which we seem to have done if the
